

# FEBRUARY 2025

## “FAITH OF A MUSTARD SEED”

PEH Board: Dennis and Teresa Gray, Co-Directors and Founders; Allison Hicks, President; Scott Randolph, Vice-President; Kayla Garcia, Secretary; Terry Hicks, Treasurer; Lisa Sigmon; Jimmy Gray; Samuel Herrera; Marcela Pinnel Cantor

Issue 001

## God said “Go!” and PEH went and is still going!

February 2025 marked the third time we have been in Honduras giving out school supplies to children. In those three years, God has grown the ministry of PEH in ways that we could have never imagined. Because of God’s provision and His Plan, we are blessing children and teachers in nine schools in Copan with school supplies, a feeding program, vitamins and anti-parasites, and a clean water system. Praise be to God for all he is doing.

Clean water is essential for the health of any child. In the US, we have lots of access to clean water right out of our faucets in our house. However, access to clean water is rare. The water the children drink at school is the same water that they use for bathing and cooking. It is also the same water that animals use. While at school, the children will always have clean water to drink. In addition, every day they attend school, they will receive vitamins and every six months they will receive anti-parasite medicines. The parents and teachers were so excited that God is providing for the health of their children.

## School Supplies for Children and Teachers!

In Copan and the surrounding area, we were able to bless 625 children with backpacks and pencil pouches filled with supplies. In addition, 33 teachers were blessed with bags full of supplies. Two of the villages, San Isidro and Hacienda San Juan, have never been blessed to get school supplies. We are so excited to see God grow our relationships in these two communities.

In addition to the school supplies, clean water kits, and medicines, the teachers and children were also blessed with a first aid kit that will remain at the school. Everything from Ibuprofen and Tylenol to Cortizone Cream, Antacids, Antibiotic Ointment, and bandages of all kinds were in the box. It will be a great tool for the teachers, as they seek to make sure all the needs of the children are met and they can learn.

## Prayers Answered – Feeding Program has multiplied!!!

When God is involved, anything can happen. We want to thank everyone who has been praying for God to supply what was needed in each of our schools. We have seen a big answer to prayers! ALL of the nine schools where we are serving in 2025 will be getting meals every day when they come to school. This is an answer to many prayers. Pena de Horeb and Pastor Kenny Rogers are partnering with us to make sure that all the children are fed. Pastor Kenny Posas and some of the individuals from his church spent the week with us visiting schools, talking with parents who are going to cook, and delivering the food. Praise be to God for His provisions and the partnership we have with Pena de Horeb and Pastor Kenny!

## God is Forming a Model for Discipleship

On Saturday, in partnership with HEA, we held the first conference to support teachers in teaching the bible to children. What a morning of blessings as we challenged them to be disciples of Jesus Christ by teaching the bible each and every day at school, as well as forming a children's and youth ministry in their churches. All of the individuals who attended received a Children's Bible that they will be able to take back and use either in their school or at their church. They also received tools for what and how to teach the bible to children. We know this will be the first of many conferences as God continues to grow His Kingdom in Honduras through the children and youth.

# Comayagua - Week 2

On Sunday, Allison and Terry left for home and Scott and Teresa headed to Comayagua to join Prayer Plan Missions. In Comayagua, we continued to bless teachers and children with the gospel and school supplies. A total of 325 backpacks, 68 pencil pouches filled with supplies, and 15 teacher bags were given to the schools in and around Chaguatillos. Thanks to Prayer Plan Missions for partnering with us to ensure children and teachers have the tools they need as they begin school.

## Building Relationships is the KEY!

When Jesus was here on earth, He spent his time with people building relationships and sharing the love of GOD. Building relationships is one of the most important aspects of the mission that God has formed in PEH. In just three years, God has opened the doors for us to form key relationships that have become central to His mission. Not only are the relationships with children and teachers in schools, but they are with other ministries and organizations, allowing us to reach more people for Christ. We are so very thankful to Honduras Evangelical Association; Pastor Kenny Posas; Pena de Horeb; Jose Alcalade, Mayor of Cabanas; and Prayer Plan Missions. What a joy it is partnering and serving with others!
